EXHIBITION REQUIREMENTS

- 1) All exhibits will receive the best care and protection the surroundings will afford, but they are at all times subject to the owner’s risk. All exhibitors are expected to conform to Wisconsin State Fair Junior participation and exhibition policies. Failure to comply may result in awards, auction proceeds and premium forfeiture, dismissal from grounds, and being barred from immediate and/or future exhibitions. Wisconsin State Fair Management reserves the right to interpret and enforce the rules and regulations; split or combine classes; accept or reject any entry entirely, partially or conditionally. For a summary of Youth Center regulations for junior exhibitors, refer to the Tommy G. Thompson Youth Center Rules located in the “Junior General Rules and Regulations” section on www.wistatefair.com as well as the “Youth Center Lodging Registration Form” on www.wistatefair.com.
- 2) **Animal and Exhibitor Safety:**
- Animals deemed uncontrollable and/or unsafe to exhibit will be dismissed from the show ring and/or Wisconsin State Fair Park Grounds. Show Management retains the right to warn the exhibitor and dismiss any animal deemed unsafe or uncontrollable at any time. No premiums will be awarded if an animal is dismissed.
 - Due to animal wellness and safety concerns all swine brought to Wisconsin State Fair Park grounds are restricted to the Swine Barn area only. Animals found outside of the designated barn (excluding

animals being exhibited in the Supreme Drive activities in the Coliseum) will be immediately disqualified. The Department Superintendent has the discretion to approve special circumstances.

- 3) **Swine Barn Hours:** The barn will be closed from 11 pm until 6:30 am for exhibitors, parents, leaders, Fair visitors etc. No exceptions. **Exhibitors, parents, leaders or other adults are not allowed to sleep in the barn.**

- 4) **Exhibit:** Each animal entered must be stalled with their respective county and cared for at the exhibitor's expense and risk. Junior exhibitors are required to care for and fit their own animals. Farm or ranch signs cannot be displayed during the entire Junior show. It is recommended a designated leader be available to supervise the exhibit and exhibitors at all times while the county's swine exhibit is at the Fair. The Swine Superintendent may re-assign pens based on the number of **hogs exhibited** at the show per exhibitor:

1-2 head = 1 pen

3-4 head = 2 pens

Additional pen space may be assigned by the Superintendent as space allows. Exhibitors are encouraged to bring pen dividers. Pen dimensions are 6' x 8'. Counties must work together using the space allotted.

- Exhibits will regularly be inspected and must be kept neat at all times. Minimal storage for supplies is available in and around the barn. All exhibitors are required to have pens cleaned by 7 am each day and keep show equipment or feed/bedding supplies in tack areas. Straw and/or paper bedding are discouraged. The aisles must remain clear. All waste, feed, manure and trash should be disposed of properly.
- Wisconsin State Fair will have limited amounts of feed and bedding for sale. Feed order forms can be found on www.wistatefair.com beginning in June. Advance orders are appreciated and can be mailed in with entries, faxed (414.266.7057) or called (414.266.7052) into the Wisconsin State Fair Entry Office **AFTER JUNE 15th**.
- **For public safety and liability reasons counties may not use space in or around their exhibits to conduct any type of direct contact/petting or photo opportunities geared toward Fairgoers/public.**

- 5) **Equipment:**

- **Fans:** The use of one (1) fan is allowed per animal. Overhead fans must be hung from the front wall on either side of the animal. Floor fans may be used to move air for the entire display only and must be kept out of the aisles. The Superintendent reserves the right to determine acceptable placement and usage. All fans must conform to the manufacturer's recommendations and Wisconsin State Fair safety regulations.
- **Generators:** The use of portable power sources is permitted during show hours only. Generators must be kept outside the barns. When not in use generators must be kept in designated locations on the Fairgrounds.
- **Extension Cords:** All cords must meet Wisconsin State Fair and manufacturer's recommendations for safety. No cords will be permitted in the aisles or in public areas above or on a surface without being properly secured. Wisconsin State Fair Management retains the authority to determine what is acceptable.
- **Stalling equipment:** The use of stall dividers for the purpose of separating animals and designating tack areas is permitted. No equipment is approved for use in the aisles.
- **Tack:** Show boxes, feed, bedding and other show equipment which is used for the care of the livestock must be kept neatly in the county's designated area and out of the public aisles. It is important to keep all livestock and livestock housing areas orderly and safe to demonstrate a positive image of animal agriculture to the public.
- **Gas/Diesel/Propane Storage Containers:** Containers holding hazardous/flammable materials must be kept in the designated area north of the barns.

- 6) **Breed Shows (Registration):** An original or breed association issued duplicate copy of individual registration papers/certificates for all purebreds must be submitted to Fair management at check-ins. The identification/ear notch indicated on the registration paper/certificate must correspond with the animal's actual identification. Litter recording or individual registration will be accepted if it complies with the specific breed association guidelines or rules. Faxes, emails, photocopies or telephone calls from breed associations will not be accepted. Entries not properly registered or entered will be moved to the Crossbred division or will not be allowed to show.

- All Berkshire swine must be registered by the American Berkshire Association (ABA), PO Box 2436, 1769 US 52 West, West Lafayette, IN 47996. The ABA is the only Berkshire swine registry

recognized by the National Association of Swine Records (NASR), National Pedigreed Livestock Council (NPLC) and Wisconsin State Fair.

- 7) **Fitting:** is limited to the exhibitor, his/her mother, father, sister, brother, step-brother, step-sister, step-parent or legal guardian (with proof of relationship) or other junior exhibitors participating in the Wisconsin State Fair Junior Shows. Fitting includes, but is not limited to, the day to day management practices of feeding, exercising and show preparation. Exhibitors and one additional family member (listed above) are the only personnel allowed into the designated show ring class make-up/lineup areas. Wisconsin State Fair Management and/or the Fitting Superintendent and staff have the right to interpret these rules. See the “Junior Fitting and Exhibition Rules” in the “Junior General Rules and Regulations” section on www.wistatefair.com for additional Fitting requirements.
- Read all product labels closely to make sure they do not contain ingredients which may be interpreted as a performance enhancer. Any questions should be directed to Wisconsin State Fair prior to use.
 - Fitting violations may result in disqualification and/or removal of violators from the Fair Park.
 - A minimum of ½ inch hair (in length) on the body is recommended. Slick shaving or body clipping of barrows and gilts is prohibited and hogs will not be allowed to show. Clipping of pigs is not allowed on Wisconsin State Fair Park grounds.

 - No artificial filling of animals will be allowed at any time on Wisconsin State Fair Park grounds.
- 8) While on the Wisconsin State Fair Park grounds, any exhibitor wishing to administer any medications, treatments or use of other animal health products must submit an “Animal Treatment Form” to the Wisconsin State Fair attending veterinarian. This form is available online or onsite in the Superintendent’s, Entry or Vet’s offices. Wisconsin State Fair reserves the right to have the Wisconsin State Fair attending veterinarian administer any and/or all medications, treatments or other animal health products.
- 9) **Identification:** All swine must have an RFID ear tag (and DNA identification). Ear notches must have a legible and fully healed ear notch or they will not be allowed to show. Ear notches must be free of scabs or evidence of being freshly cut.

SHOWRING/JUDGING PROCEDURES

- 1) **Exhibitors:**
- Should be dressed neatly and appropriately while in the showring.
 - Must show their own animals unless prior approval has been granted by the Superintendent. Approval may be considered for the following reasons: two animals in the same class, two animals in the show ring at the same time in different species, serious injury or hardship. A form to request approval for another junior exhibitor to show the exhibition animal may be obtained from the Superintendent’s office and must be submitted to the department Superintendent by 7 pm the day prior to the start of the show.
 - No firm, farm, or name identification shall be carried, worn or displayed on the exhibitor or animal while in the make up area or the show ring. The Superintendent may remove the exhibitor/animal from these areas until compliance is met.
- 2) **Show Ring:** Only Wisconsin State Fair officials are permitted in the judging area during judging.
