JUDGES, JUDGING AND/OR AWARDS REVIEWS:

Verbal complaints are considered unofficial, may be received at any time, and do not require action by Staff, Superintendent or Management.

Written Complaints are considered official. The written complaint must clearly state the concern(s) and justifications. Written complaints will follow the "Written Complaints" protocol as listed above. Of special note:

- Written complaints pertaining to judge qualifications/potential conflicts of interest must be submitted in writing a minimum of two (2) weeks prior to the judging date. Judges are selected through a formal review process prior to WSFP issuing a service agreement. In consideration of this process, complaints based solely on unsubstantiated concerns questioning the competency of judges will not be considered. Parties involved will be notified and given the opportunity to submit evidence to the WSFP Competitive Exhibits Director whose decision is final and not subject to appeal.

Protests and Appeals: Protests and Appeals must clearly state the concern(s) and justifications. Protests and Appeals will follow the decision review protocol listed above. Of special note:

- Award protests must be submitted to the WSFP Competitive Exhibits Director within 24 hours of the award being posted online. An award is deemed presented when the notation of the decision is entered on the official judging sheets. Overturning a judging decision will only be considered if it is determined an award has been made in violation of the rules governing the exhibit.
