It further reserves the right to determine unforeseen matters not covered by these rules, to amend or add to these rules as they, in their judgment, may deem advisable.

All exhibitors are expected to conform with Wisconsin State Fair General Rules and Regulations. Any person who violates any of the special rules will forfeit all privileges and prize money and be subject to such penalty as the management may order. Failure to comply may result in award(s) and prize money forfeiture, dismissal from the Fairgrounds, and being barred from competition immediately in the department in which the violation occurred and from all departments entered, and/or in future competition in Wisconsin State Fair. In the event of conflict between the general rules and the special rules governing the various departments, the special rules will govern.

The following due process will be used in the questions of rule violation: the exhibitor and/or parties involved will be questioned by the Department Superintendent. Judging of Exhibits

Judges have been carefully selected. All exhibitors submitting exhibits for the Wisconsin State Fair accept these judges and agree to abide by their decisions. The judging schedule is printed at the beginning of each department in the Exhibitors Guide & Prize Listing. If any exhibitor attempts to interfere with the judge in any manner, the exhibitor shall forfeit all prize money awarded and will be excluded from further competition. Judges will not be permitted to show in divisions they judge. Unworthy exhibits will not be placed by the judge. The decision of the judge will be final in all cases.
