Tent Requirements

The Vendor Services Department requires that all tents used by Vendors during the annual Harvest Fair must be of professional grade, with either a label affixed to it indicating the tent material is flame-resistant or paper work indicating material has been treated with a flame-retardant product. Paperwork must be presented upon request. Vendors must contact Digger's Hotline before tents are installed. See Vendor Manual for more information.

All Vendor space, indoor and outdoor, is leased for the entire run 3 days of the event. See next page for additional costs.

Vendor Cost and Budgeting Guide

Along with space rental rate, there may be additional costs to be considered upon Vendor acceptance. Some of these additional costs can be added to the Vendor License Agreement, and some costs are handled through other departments within the Wisconsin State Fair or external agencies.

Vendor License Agreement Breakdown

Space Rental: Assessed using the dimension of the space as described in the previous page.

Electrical Connection: Based on the electrical needs of the Vendor.

Water Connection: Based on the water needs of the Vendor.

Additional Considerations not listed on Vendor License Agreement

Admission & Parking: Admission is free for all Vendors and patrons. Information regarding parking will be available upon acceptance.

Insurance: Wisconsin State Fair requires that each accepted Vendor secure a General Liability policy of \$1,000,000 per each occurrence for September 20 – October 5 (if you will be on the grounds later than October 5th, insurance must extend to that date). Accepted Vendors may secure their own policy or may participate in a shared policy through Haas & Wilkerson (\$85 for first location). In addition, proof of worker's compensation coverage must also be provided for any Vendor with paid employees (including family members). This must be secured by the Vendor, as Haas & Wilkerson does not provide workers compensation coverage.

Sales Tax: All Vendors must have a Wisconsin Seller's Permit and be in good standing with the Department of Revenue prior to setup or operation at Wisconsin State Fair Park. All sales of tangible goods in the State of Wisconsin are subject to a 5.5% sales tax or 6.0% food and expo tax pursuant to Chapter 77.52 of the Wisconsin statutes unless specifically exempted.
