Exposition Center Vendors: For situations where an internet connection is vital to your booth (eg. streaming video or accepting payments), we encourage renting a hardline connection or a secure, private wi-fi network from a third-party IT provider.

Exposition Center Vendors also have the option of using their personal device(s)' data plan through their cellular provider, a hot spot through their cellular provider, or internet services ordered through a third party provider. Wisconsin State Fair Park recommends using PurelyIT for this service: <https://forms.purely.it/wsf-internet/>

Vendors in all other locations: Vendors in all other locations have the option of using their personal device(s)' data plan through their cellular provider, a hot spot through their cellular provider, or internet services ordered through a third-party provider.

Telephone

Vendors have the following options for telephone services:

Exposition Center: Telephone service in the Exposition Center must be ordered through the Vendor Services Department at a rate of \$170. Telephone service should be discussed with the Vendor Services Department prior to your Vendor License Agreement being issued. If your Vendor License Agreement has already been issued, please contact the Vendor Services Department for assistance. Please be aware that telephone service rates will increase significantly for orders placed after July 15.

Vendors in all other locations: Telephone service for all other locations in the Fair Park must be ordered through a third-party provider. Please contact Vendor Services for options.
