

General RV Park Rules and Regulations

Violation of any RV Park rules and regulations may be cause for immediate revocation of RV Park Permit

GENERAL INFORMATION:

- Rules apply to all guests including visitors. The rules are for health, cleanliness, legality, and enjoyment of all guests.
- **The cancellation policy can be found on our website: <https://wistatefair.com/wsfprv-park/>**
- All sites are accessible to persons with disabilities
- Quiet hours are from 11pm-7am daily
- The type of site reserved is guaranteed, not the site number. Site numbers are subject to change, are assigned upon arrival, and pull-through sites are not guaranteed
- A recreational vehicle (RV) is required to occupy a site (camping trailers, motorhomes, camper vans). RV Park staff must approve any RV conversions
- All sites are situated on pavement or gravel
- Trailer jacks must have a protective device between the pavement and the jack
- Custom fit RV skirting is permitted during the winter season. Any DIY skirting must be approved by RV Park staff
- Fuel, oil, flammable liquid, and petroleum gases must be handled and stored in compliance with national and state standards
- Compliance with all Wisconsin State Fair Park and RV Park rules, regulations, policies, state administrative codes, and all state and federal laws is required. Failure to comply may result in immediate revocation of RV Park Permit without refund
- The RV Park business address cannot be used as a guests' primary or permanent address
- Guests may receive mail or packages at the RV Park office at their own risk. **The RV Park is not liable for lost or stolen items**
- Reservations may not be transferred to another person
- Please exercise good judgement if you decide to leave your children at the RV Park without supervision. You are responsible for their welfare and are liable for their behavior
- The facilities (bathrooms, showers, and laundry) are for registered RV Park guests' use only
- All services and supplies purchased at the RV Park are final sale.

VEHICULAR TRAFFIC:

- ALL vehicles shall operate only on roads, parking lots and similar areas designated for their use. The Racetrack is off limits to all vehicle traffic except for the annual State Fair or a specific event. Please observe a speed limit of 5 mph within the RV Park
- A Wisconsin State Fair Park Cart Permit may be required during some events. Ask RV Park staff for details
- Unlicensed vehicles such as trail bikes, minibikes, off road vehicles, snowmobiles and dune buggies are prohibited
- ALL vehicles operated in the Wisconsin State Fair Park are subject to the State of Wisconsin motor vehicles codes, State Administrative codes, and Rules of the State Fair Park Board and Rules of the RV Park

PERMITS/CHECK IN/CHECK OUT:

- All guests must check in by stopping by the office or picking up their arrival packet from the after-hours arrivals mailbox *prior* to setting up
- All guests must have a reservation or make a reservation **prior** to occupying a site or setting up. RESERVATIONS ARE REQUIRED
- **Guests cannot move from their assigned RV site to another RV site without prior approval per State Administrative Code SFP 2.10(5)**
- Check-in begins at 2 pm. Check-out is at 11 am on the final day.
 - Early check in and late check out may be available for a \$10 fee – Check with RV Park staff regarding these arrangements
- Permits are specific to the guest, dates reserved, and the site number. Permits must be displayed and visible to Wisconsin State Fair Park personnel and RV Park staff
- **Failure to check-in within 24 hours of scheduled arrival date will result in cancellation of reservation without refund**

PARKING:

- RVs, motor vehicles, outdoor furniture and other permitted items must be kept within the limits of the assigned site and cannot overflow into other sites or drive lanes
- If any vehicle or trailer is on an RV site without a permit or after the permit has expired, or if parked in any restricted areas, the vehicle or trailer may be immediately ticketed and/or towed at the owner's expense. RV Park staff will attempt to contact the owner prior to ticketing and/or towing.
- **If there is an emergency water shut-off valve on the ground in your site** (marked in blue with a cone over it), it **MUST** be accessible at all times for a 6' tall, 1' wide tool. Guests will be required to re-position their RV if it or any slide outs prevent access.
- One motor vehicle and one RV is permitted at each site. An exception for a second motor vehicle may be made, at RV Park staff's discretion
- Types of vehicles and trailers permitted vary and are subject to RV Park staff's discretion
- Recreation and motor vehicles must be currently registered and in good condition visually
- Motorhomes must be maintained in a mechanically sound, drivable condition. Trailers and fifth wheels must be accompanied by a vehicle that is maintained in a mechanically sound, drivable condition and that vehicle must be able to tow the trailer
- Additional vehicles or trailers, including visitor vehicles, must be parked in designated parking areas for an additional fee, if available
