TICKET SALES FOR THE 2026 SNAP-ON INDYCAR WEEKEND AT MILWAUKEE MILE BEGIN TOMORROW

Get your seat for twice the action as INDYCAR's only doubleheader weekend comes to the legendary Milwaukee Mile in August.

WEST ALLIS, Wis. – February 23, 2026 – It's off to the races as INDYCAR brings the season's only doubleheader to the Milwaukee Mile for twice the chase for points, twice the adrenaline and twice the experience at the 2026 Snap-on INDYCAR Weekend, taking place Friday, August 28– Sunday, August 30.

After a stellar 2025 INDYCAR chapter where Christian Rasmussen earned his first series victory, drivers will be looking to etch their names into the Milwaukee Mile history books during the thick of summer where the only thing hotter than the temps will be the action on the track. In recent years, the Milwaukee Mile 250-lap races have featured the most on-track passes on record at the oldest continuously operated motor speedway on the planet.

And now is your chance to secure a front-row seat to be there in person as the world's top drivers continue to tackle the most challenging schedule in all of motorsports. From Friday's practice runs to INDY NXT by Firestone races and the headlining Snap-on Makers and Fixers 250 (Saturday) and the Snap-on Milwaukee Mile 250 (Sunday) races, the weekend is packed with heart-racing action that's sure to thrill. Adding to the excitement, the USF Pro 2000 series will bring even more high-speed, open-wheel intensity throughout race weekend.

But the fun isn't confined to the oval. The electric Free Fan Zone – built for new-to-the-sport race fans and Milwaukee Mile enthusiasts alike – returns. Driver appearances and autograph sessions will allow fans to get up close and personal with their favorite racers.

As a special bonus, Vintage Indy will bring a free interactive display that invites fans to take a spin through history by celebrating more than a century of open-wheel racing heritage with a remarkable fan experience.

Add it all up, and attendees get a taste of the unique fun that makes the Milwaukee Mile one of the most anticipated visits on the INDYCAR schedule. Whether you are a lifelong fan or introducing the next generation to the historic Milwaukee Mile, there will be something for everyone, not only on race days in the Grandstands, but all weekend long throughout State Fair Park. More details about the Free Fan Zone and the entire 2026 Snap-on INDYCAR Weekend will be revealed in the coming months.

Beginning Tuesday, February 24 at 10 a.m. CT, 2025 Weekend Passholders and Single-Day Sunday Reserved Grandstand Ticketholders will have the first opportunity to purchase 2026 Weekend Passes. It's a chance to lock in the exact same seats that were purchased for the 2025 race. This Weekend Passholder exclusive renewal period will run through Sunday, March 1 at 11:59 p.m. CT.

On Monday, March 2 at 10 a.m. CT, race fans who purchased any 2025 race ticket (Single-Day Saturday Reserved Grandstand Ticketholders, Single-Day Saturday General Admission Ticketholders, or Single-Day Sunday General Admission Ticketholders) and those who did not renew their 2025 Weekend Pass or Single-Day Sunday Reserved Grandstand ticket will be invited to an exclusive pre-sale to secure 2026 race tickets before they go on sale to the general public. This exclusive pre-sale will run through Thursday, March 5 at 11:59 p.m. CT.

The general public will be able to purchase seats in the Grandstands beginning on Friday, March 6 at 10 a.m. CT.

The Snap-on INDYCAR Weekend also has the distinction of being the penultimate weekend of the season and plays a pivotal role in the championship chase. As drivers fight for every last point, tickets are sure to be in high demand before a champion is crowned in September.

In addition to Weekend Passes and Single-Day Tickets, Garage Passes, Infield Camping and Parking Passes will also be available for purchase during all sales. The Milwaukee Mile and Wisconsin State Fair Park

The Milwaukee Mile is the oldest continuously operating motor speedway in the world. It was built as a privately owned horse track in 1876 and hosted its first automobile race in 1903. In 1891, the Agricultural Society of Wisconsin purchased a parcel of land, including the track, which became the permanent location of the annual Wisconsin State Fair. Many historic racing moments took place at the Milwaukee Mile, and auto racing icon A.J. Foyt competed in more

races at the legendary oval than any other facility. Wisconsin State Fair Park is a year-round entertainment venue hosting hundreds of events and meetings annually throughout the four seasons, including the annual Wisconsin State Fair, presented by UScellular. Wisconsin State Fair takes place for 11 days each year and annually welcomes an average of one million visitors to experience the state's largest agriculture showcase as well as a plethora of food, shopping, rides, games and entertainment. The State Fair Park is home to the Exposition Center, The Dairy Building, Tommy G. Thompson Youth Center, Milwaukee Mile, The Wisconsin Building and many other facilities.
